THE WESTMINSTER NURSERY

WESTMINSTER, MARYLAND

J. E. STONER, Prop.

SEASON 1911-12

To our mail order trade.

We have a few facts to tell you, backed up by our millions of choice, healthy, vigorous, well grown and graded Peach, Apple, Pear, Cherry and Plum trees also Berry plants, California Privets, Yellow Locust and Catalpa Spec. Seedlings, Asparagus plants, etc.

Our stock has made a fine growth. You can't get better anywhere at any price.

The best is the cheapest, is the verdict of old, experienced orchardists, profit by facts established by others. We give wholesale prices, and ship direct. We are the lowest priced Nursery on earth for sterling quality. We attach Entomologists certificate to all shipments.

We have to offer planters of Peach trees one of the largest and most promising lot of Peach trees ever grown and every tree budded on Seedlings grown from Kansas natural seeds and perhaps the only peach trees of this class east of the Mississippi River. Now is your time to test them and have the best peach orchard on earth. No Root Gall, no breaking off at surface of ground, not apt to take yellows.

Place your orders now. Make sure of your trees. Name kinds, grade and number wanted. We will reserve the trees until you want them shipped.

This past season hundreds of planters failed to get supplied because they waited too late before placing their orders. With the increased demand for Peach trees and the limited supply in the South, we advise you to order soon as prices will surely advance.

Our apple trees frequently bear crops like this one

Can't you arrange to visit our nursery and see how we grow our stock?

We give 30 trees of one variety at 100 rates, 300 of a kind (as 300 apple or 300 peach, etc., not less than 10 of one variety) at 1000 rates, over 10 and less than 30 at 10 rates less than 10 at each rates. Please note where no 1000 rates is quoted that 100 rates govern. All stock nicely packed F. O. B. cars here, in good boxes or bales.

TERMS: Orders from parties with rating, billed cash before shipment or one-quarter cash with order, balance when stock is ordered shipped. If all cash with order 5 per cent off. No discount unless all cash with order. This price list is our salesman, and opens the way for every planter to secure our sterling quality trees at the lowest possible prices.

**PLANT YOUNG, FIRST CLASS
HEALTHY TREES**

Less 5 per cent off if cash with order.

One of our large Blocks of 1 year Budded Apple Trees,

" " 3 to 4 feet	.10	.90	6.50	60.00
" " 2 to 3 feet partly branched	.08	.75	5.50	50.00

Our Peach trees have made an excellent growth and will grade up fine. Mostly 4 to 5 feet and 3 to 4 feet trees. A large stock of Elberta.

I wish to call your special attention to the fact that every one of our large stock of peach trees are budded on Kansas Natural Seedlings. The most hardy in the U. S. You can not afford to overlook this important feature. Our trees are well grown, smooth and well rooted. Our prices are low considering the quality. Let us have your order at once that we may reserve the varieties for you. Kinds marked (S) were collected and carefully selected by Mr. Charles K. Shank of Smithsburg, Md.

VARIETIES

Belle of Ga. (S)	Chair's Choice	Carman (S)

NUMBER OF TREES TO AN ACRE

30 feet apart each way.....	50	10 feet apart each way ..	345
25 " " " ".....	70	8 " " " ".....	684
20 " " " ".....	110	6 " " " ".....	1,210
18 " " " ".....	135	5 " " " ".....	1,742
15 " " " ".....	205	4 " " " ".....	2,723
11 " " " ".....	300	3 " " " ".....	4,840

Rule—Multiply the distance in feet between the rows by the distance the plants are apart in the rows, and the product will be the number of square feet for each plant or hill, which divided into the number of feet in an acre, 45,560, will give the number of trees in an acre.

DISTANCE FOR PLANTING

Standard Apples	30 feet each way
Standard pears and strong growing cherries	20 " " "

Standard plums, apricots, peaches, nectarines14 to 18 " " "
 Dwarf Pears10 to 12 " " "
 Grapesrows 10 to 16 feet apart, 7 to 16 feet in rows.
 Strawberries, for field culture.....18 to 24 inches by 3 to 3½ feet apart.
 Strawberries for garden culture.....1 to 2 feet apart
 Raspberries.....row 4 to 6 feet apart, 2 to 3 feet in rows

Write your name and address plainly Always give shipping directions whether by freight or express, and name freight or express office. If directions are not given we will use our own judgment.

No Charges made for Package and Delivery at R. R. Company when prices are made at catalogue prices. Where special prices are made cost of boxing and baling will be added to the cost. We endeavor to look after the interests of our customers and have plants and trees packed as light as is consistent with their safe transportation.

If Frozen when Received bury the package unopened in well drained ground or place it in a cool cellar, so that it will thaw out slowly and gradually without being exposed to the air.

If They Should Appear Dry or Shriveled When Received, through delay in transit, or from any cause, take them from the package and plunge into a tub of water or bury the roots in the ground in an inclined position, so as to cover one-half or more of the tops with earth, and then thoroughly soak with water, and then let remain for twenty-four hours or more, until they regain their fresh plump appearance, when they may be planted.

Our Guarantee—While we exercise the greatest care to have every tree and plant true to name and are ready on proper proof, to replace anything sent by us that prove untrue to label free of charge, it is understood and agreed between purchaser and ourselves that we are not to be held liable for any greater sum than that paid us for said trees that may prove untrue.

Time of Shipment—To the Fall trade, we will commence to ship trees as soon as the leaves are off and the wood ripe, and plants about the 1st of October and continue as long as the weather is mild. For the Spring trade, in most seasons, we can fill orders as early as February for the South, as late as May for the Northern customers. Always name date when you want stock shipped, but have it reach you before you need it. We endeavor to handle your stock in the best manner, pack it up nicely and give you good count.

When Best to Order. Order now. Do not wait until you are ready to plant. Your order will not be shipped until the proper time or until you wish it.

How Best to Remit—Remit by Bank Draft, Express Money Order, or Post Office Money Order on Westminster Post Office, Registered Letter, or stamps for the fractional part of a dollar. Payments Invariably in Advance.

Special Low Express Rate—By special arrangements we are able to send plants by express to any parts of the country at 20 per cent less than merchandise rate over each company. We interest ourselves in giving our customers a low express rate. We have the Adams Express Co.

Prices named in this list supercede all former quotations and are subject to change without notice.

Claims for Deduction should be made within five days from receipt of goods.

This special price list is our agent and the kinds and varieties of stock named herein are comprised largely of the stock we grow.

SPRAYERS AND SPRAYING SOLUTIONS

We sell Sprayers and instruct kind of sprayers and teach you how and when to spray. We offer Lime Sulphur Solution. Arsenate of Lead, Soluble Oil, etc., at low prices.

YOU SHOULD HAVE A NURSERYMAN

In exactly the same sense that you have a family doctor, a lawyer, a grocer—one in whom you can with confidence rely. I want to be your nurseryman. I require no contract, no stipulation, no fee.

PLANT AN ORCHARD

Buy trees on the Whole Root System. Buy trees clean, healthy and true to name. Buy trees that are fumigated. Buy trees direct from the grower.
